

Nurse Aide

Courses offered four times a year!

This program is designed for individuals who are interested in obtaining employment as a nurse aide. A combination of classroom and clinical experience is offered, preparing individuals to become a Nurse Aide and take the New York State Department of Health certification examination. Students learn skills in a modern skills laboratory and practice skills using each other and manikins prior to attending clinical. Students are assigned to care for one or more residents in a facility and provide all the care that the client needs.

Disclaimer: A criminal background may affect your ability to be employed as a Certified Nurse Aide.

Fee: \$1,550.00, includes uniform, textbook, certification examination fee, physical (if needed)

Instructor: Lisa Bergerstock

Funding may be available to assist individuals with tuition.

Course includes:

- 120 hours of instruction
- 30 hours of clinical experience
- 90 hours of classroom and laboratory experience
